World Alliance Group VA - Regulations:

1. Members shall, at all times, be courteous and respectful to one another.
2. Members have to register with their real full name
3. All members have to maintain a specific flight activity to be an active pilot: A registered Pilot should at least complete 2 Flights per 3 months.
4. A member shall only create one account
5. Members shall not publish, post, distribute, disseminate, or use any kind of defamatory, infringing, obscene, vulgar, profane, unlawful, or other types of communications, materials, or information. Individuals violating this rule are subject to be banned from the discord server and the virtual airline and a revocation of their VA - ID (WAG-ID).
6. We simulate real world flights and historical flights. As we want it as real as it gets you shall use real weather if you are able to do so.
7. A plane should be always flown back to their origin country by at least 5 days. ! Exception! For all Longhaul Flights you have at least 10 days time to bring them back. Don't worry if you are once unable to fly a plane back home. Just use the #operations channel to find a Pilot which is able to.
8. Approved countries for parking an A/C for more then 10 Days are: Austria, Germany and Belgium (only B788)
9. If possible packages should be carried on each flight to maximize our profit.
10. #route-request 's should always include at a minimum the following: Operating Airline

    Departure ICAO code
    Departure Time (STD):
    Arrival ICAO code
    Arrival Time (STA)
    A / C type
    Route (optional)
